RUBBERLAND
THE PRIDE OF THAILAND

**THE ASIA'S FIRST INTERACTIVE
RUBBER EDUTAINMENT MUSEUM**

THE PRIDE OF THAI NATURAL LATEX, THE PRIDE OF THAILAND

EXPLORE

RUBBERLAND is the first and only rubber museum in Asia that brings together all the wonders of rubber, which is Thailand's key economic crop and a source of national pride. Here, we offer the rubbery experience that well reflects Thai culture, wisdom and lifestyle through interactive multi media

Where there's rubber, there's creativity.

Let's experience Thailand's pride together through our 4 well-designed rubber zones.

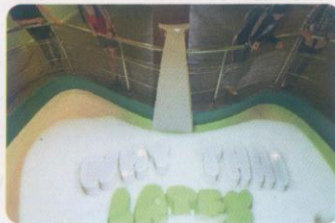

THE FACTORY

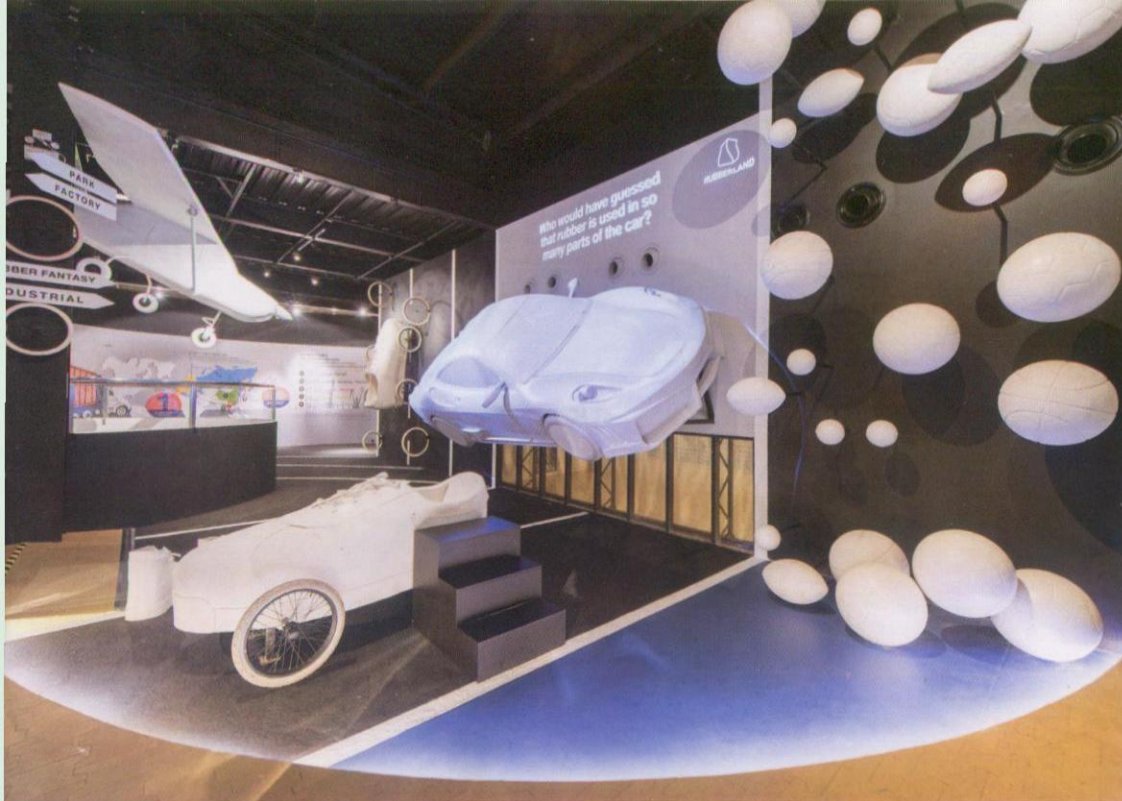

With the mini rubber factory model and our virtual guides or "rubber gang", you'll experience the amazing transformation of rubber, from the plantation, production of concentrated latex and many advanced production techniques, to the resulting products found in everyday life.

THE PLANTATION

With the cool projection mapping, you'll discover why rubber has become Thailand's key economic crop. Moreover, you will get to venture into a rubber park among creative-looking rubber trees and have a fun and exciting rubbery experience.

RUBBER FANTASY

Wander into a fantastical world under the concept of "when everything is made of bouncy rubber" and discover the unexpected joys through fascinating themed zones!

THE JUNGLE

Be amazed by the full range of animals made of rubber from Thailand's tropical forests.

THAI SWEETS

Be surprised by the recreations of Thailand's most famous dishes and snacks in the gigantic rubber forms.

UNDER THE SEA

Be dazzled by the amazing marine life, like you were diving into the beautiful underwater world yourself.

INSPIRATION

Be inspired by the creative innovations of rubber design.

RUBBER IN LIFE

Here, you will experience stunning range of rubber usage in everyday life - from balls, automotive components to trying on gigantic rubber shoes.
